## 11 Profile View

The image shows a mobile application's profile view for a user named Emily B. The screen has a light gray header with the word "Profile" in bold black text. In the top right corner is a small, light gray circular icon with a dark gray outline. The main content area has a white background. At the top is a large, semi-transparent purple circular placeholder for a profile picture, with the letters "EB" in white in the center. Below this, the user's name "Emily B." is displayed in a large, bold, black font. Underneath the name is the text "Role: Customer" in a smaller, gray font. There are three rounded rectangular buttons: the top one is white with a purple outline and the text "Edit profile" in purple; the middle one is white with a purple outline and the text "My posts" in purple; and the bottom one is a solid purple rectangle with the text "Logout" in white. At the very bottom of the screen is a horizontal navigation bar with three items: "Requests" (with a "R" icon), "Tips" (with a "T" icon), and "Profile" (with a "P" icon). The "Profile" icon is highlighted with a purple background and a white outline.
